

Building on success.

International Resources Group is a professional services firm based in Washington, DC. With representative offices around the world, our geographic presence combined with seasoned development expertise enables us to ensure long-term success for our clients.

We serve two primary sectors:

- ◆ International development services, under contract, to the US Agency for International Development, as well as the World Bank, Asian Development Bank, Inter-American Development Bank, the United Nations, other financial institutions, governments and organizations.
- ◆ Management, organization, and business-improvement services which support public and private sector clients around the world and in the United States.

teamwork

talented professionals, worldwide.

The management capabilities, technical expertise, and worldwide experience of our professional staff drive IRG's ability to provide integrated, innovative, and practical advice. Many of our specialists have pioneered the best tools and techniques in their fields. At ease on the ground, in the workplace, and with the highest echelons of government around the world, IRG catalyzes organizations and people to work together to achieve their goals.

strategy

intelligent use of resources.

For more than 25 years, IRG has followed its mission to help governments, the private sector, communities, and households use their resources efficiently to build a healthier, safer, and more prosperous world. Understanding critical linkages, we seamlessly integrate organizational, technical, economic and social factors to promote positive and lasting change.

results

satisfied clients.

Governments, multi-lateral and nonprofit organizations, and the private sector depend on IRG to design and implement pragmatic solutions to development and humanitarian challenges. We work closely with our clients and make sure we understand their needs and priorities. Then, we deliver top-quality, cost-effective services that address development issues with an eye toward sustainability and progress.

IRG is ISO 14001 certified.
